Dear Kerry,

On behalf of Earls Restaurants, we would like to express our appreciation for the professionalism and quality of work performed by Robertson Floors on many of our restaurants across Western Canada. Kerry and Josh has worked on majority of our restaurants through the numerous years that we have known each other. The quality of work has never been compromised and we appreciate the attention to detail in completing the deficiencies at the end of each project.

Your team has been a tremendous help and an asset on all our projects that they have worked on together. We would like to express to Robertson our warmest thanks for a job well done. We look forward to working together in future projects.

Yours truly,

Raymond Lee
Director of Design and Construction
